

CATEGORY 11 ARTIFICIAL INTELLIGENCE & TRANSFORMATION

- 51. AI is the single biggest opportunity for Indian es in 2026 — agree or disagree?
- 52. Will generative AI replace entry-level knowledge workers by 2028?
- 53. Can AI replace teachers — and should it even attempt to?
- 54. Future of artificial intelligence — where will it be in 10 years?
- 55. India's AI Governance Guidelines 2025 — strong enough framework for the risks ahead?

CATEGORY 12 GENERATIVE AI, DEEPFAKES & MISINFORMATION

- 56. Will ChatGPT kill traditional search engines or fundamentally transform them?
- 57. The deepfake dilemma — AI-generated content and the collapse of digital trust
- 58. AI-generated deepfakes — existential threat to elections and institutional credibility?
- 59. Should companies be required to disclose AI involvement in all customer-facing outputs?
- 60. Digital twins — powerful innovation tool or privacy risk at industrial scale?

CATEGORY 13 TECHNOLOGY POLICY & DIGITAL GOVERNANCE

- 61. Should India build its own sovereign large language model?
- 62. Internet shutdowns in India — legitimate security tool or democratic overreach?
- 63. Should big tech companies — Google, Amazon, Apple, Microsoft — be broken up?
- 64. Digital public infrastructure — can India's DPI model be exported to the Global South?
- 65. Right to be forgotten online — individual freedom vs the public's right to a record?

CATEGORY 14 CYBERSECURITY, DATA PRIVACY & DIGITAL LAW

- 66. India's Digital Personal Data Protection Act — is it strong enough?
- 67. Individual data privacy — why protection has never been more important than in 2026
- 68. Cyber warfare — is India prepared for state-sponsored attacks on critical infrastructure?
- 69. Should social media platforms be legally liable for data misuse by third parties?
- 70. Mobocracy fuelled by fake news — a clear and present threat to India's social fabric

CATEGORY 15 TELECOM, SUPER APPS & PLATFORM ECONOMY

- 71. 5G telecom services in India — benefits, impact, and who really gains?
- 72. Telecom sector turbulence in India — is consolidation good or bad for the economy?
- 73. Super apps in India — will Tata NEU work, or do customers prefer decentralisation?
- 74. Chinese apps banned in India — justified digital sovereignty or protectionism?
- 75. ONDC vs established e-commerce — can open networks democratise digital commerce?

CATEGORY 16 SPACE, SCIENCE & EMERGING TECHNOLOGY

- 76. Space research projects — waste of public money or long-term national investment?
- 77. Mission to Mars — can India afford to spend a fortune on interplanetary ambitions?
- 78. Global space economy — can India emerge as a serious commercial space leader?
- 79. Global Biofuels Alliance — strategic opportunity for India or geopolitical optics?
- 80. Green Credits Initiative — a credible environmental framework or open to greenwashing?

CATEGORY 17 MEDIA, MISINFORMATION & SOCIAL MEDIA

- 81. Should social media platforms be regulated as publishers, not just neutral platforms?
- 82. Media freedom in India — should there be limits, and who should set them?
- 83. Is traditional journalism dying or evolving into something more powerful?
- 84. Should social media algorithms be auditable by independent regulators?
- 85. Paid news and media ownership concentration — existential threat to democracy?

CATEGORY 18 E-COMMERCE, D2C & CONSUMER BEHAVIOUR

- 86. Quick commerce — sustainable model or a race to margin destruction?
- 87. E-commerce discounts — customer benefit in the short run, market harm in the long run?
- 88. D2C brands vs traditional retail — who will dominate India's consumer economy by 2028?
- 89. Has premiumisation become India's dominant consumption trend post-COVID?
- 90. Should e-commerce platforms be required to promote Indian-made products?

CATEGORY 19 MARKETING, BRAND STRATEGY & ADVERTISING

- 91. Purpose-led branding — genuine competitive advantage or sophisticated manipulation?
- 92. Has digital marketing permanently weakened long-term brand equity?
- 93. Should brands take public positions on political and social issues?
- 94. Is influencer marketing replacing mass advertising or merely complementing it?
- 95. Think global, act local — is this still the winning brand strategy in 2026?

CATEGORY 20 IT INDUSTRY, KNOWLEDGE ECONOMY & OUTSOURCING

- 96. Will India's IT industry create more jobs in an AI-automated future?
- 97. Is India's knowledge-based economy sufficient for development or a narrow foundation?
- 98. IT outsourcing in India — sustainable competitive advantage or being disrupted by AI?
- 99. Should India invest more in product companies rather than services-led IT growth?

100. India improves ease of doing — real reform or ranking management?

CATEGORY 21 SUSTAINABILITY, NET ZERO & CLIMATE POLICY

101. India's Net Zero by 2070 commitment — credible roadmap or aspirational declaration?

102. Global climate change — can India genuinely be a global leader on net zero?

103. Should profit-making corporations bear a mandatory climate levy?

104. Circular economy — realistic model transformation or idealistic framework?

105. Renewable energy — can India lead the global solar and wind revolution by 2030?

CATEGORY 22 ESG INVESTING & SUSTAINABLE FINANCE

106. Is ESG investing a genuine market movement or a sophisticated marketing exercise?

107. SEBI's BRSR mandate — accountability milestone or compliance burden on companies?

108. Carbon credits — credible climate tool or corporate offset and greenwashing mechanism?

109. Should institutional investors be required to vote on all ESG shareholder resolutions?

110. Can Indian NBFCs lead sustainable finance at the grassroots and rural level?

CATEGORY 23 ELECTRIC VEHICLES & GREEN MOBILITY

111. Is India truly ready for electric vehicles — infrastructure, affordability, and grid?

112. Are EVs genuinely green if India's power grid is predominantly coal-powered?

113. FAME India scheme — honest review of Phase 1 and 2; what should Phase 3 deliver?

114. Should India ban petrol two-wheelers by 2030?

115. Battery technology — India's biggest import dependency risk in the EV transition era?

CATEGORY 24 AGRICULTURE, FOOD SECURITY & RURAL ECONOMY

- 116. Minimum Support Price — genuinely helpful to farmers or a political signalling tool?
- 117. Global food and hunger crisis — India's rank 105 in Global Hunger Index must be a priority
- 118. Can India feed 1.5 billion people sustainably by 2040 without destroying its ecosystems?
- 119. AgriTech — transforming Indian farming or serving only large and affluent landholders?
- 120. Poverty in India — facts, structural causes, compounding effects, and lasting solutions

CATEGORY 25 WATER, CLIMATE & RESOURCE SECURITY

- 121. Water crisis — from Cape Town to Bengaluru, the world faces scarcity: causes and solutions
- 122. Will water scarcity be India's most severe and social risk by 2035?
- 123. Should water be treated as a good and priced to reflect its scarcity?
- 124. Corporate accountability for water usage — mandatory reporting or voluntary disclosure?
- 125. Himalayan glacial retreat — implications for India's river systems and long-term food security

CATEGORY 26 INDIA'S EDUCATION SYSTEM, NEP & SKILLING

- 126. National Education Policy 2020 — transformative reform or ambitious policy paperwork?
- 127. E-learning vs classroom learning — substitute, supplement, or something in between?
- 128. Is a college degree overhyped in India — does a diploma beat a degree in 2026?
- 129. Should coding be compulsory from Class 6, or does India need to fix basics first?
- 130. Regulation of coaching centres — consumer protection or government overreach?

CATEGORY 27 HEALTHCARE, INSURANCE & PUBLIC HEALTH

- 131. Ayushman Bharat — affordable universal healthcare or a piped dream?

- 132. Should health insurance be mandatory for all formal sector employees in India?
- 133. Telemedicine — permanent healthcare revolution or a pandemic-era convenience fading away?
- 134. India's pharmaceutical sector — from generic manufacturer to global innovator: is it realistic?
- 135. Mental health parity in insurance coverage — the case for and the case against

CATEGORY 28 CONSTITUTIONAL, LEGAL & JUDICIAL AFFAIRS

- 136. Article 370 abrogation — will it open genuine doors of development in Kashmir and Ladakh?
- 137. Bharatiya Nyaya Sanhita — old wine in a new bottle or a genuinely effective legal overhaul?
- 138. Supreme Court strikes down electoral bonds — accountability win or political instability?
- 139. Uniform Civil Code — historical context, benefits, concerns, and what the bills actually say
- 140. Terrorism in India — is it the price a democracy must pay for its openness?

CATEGORY 29 SOCIAL SECURITY, LABOUR & NEW WORK LAWS

- 141. New Labour Laws 2025 — better wages, safety, and social security or diluted worker rights?
- 142. PM Internship Scheme — can it genuinely solve India's youth employability challenge?
- 143. Gig workers — should they receive the same benefits and protections as full-time employees?
- 144. India's social security system demands immediate attention and substantial structural reform
- 145. New Labour Code consolidation — simplification of law or weakening of worker protections?

CATEGORY 30 GEOPOLITICS, MULTILATERALISM & US-CHINA POWER RIVALRY

- 146. Is the United Nations still relevant and effective in a multipolar world of 2026?
- 147. BRICS+ expansion — does adding new members dilute or strengthen the bloc's influence?
- 148. Is India the biggest strategic beneficiary of the US-China and technology decoupling?

- 149. US semiconductor export controls — direct threat to China or a hidden opportunity for India?
- 150. Should India push more aggressively for a permanent UN Security Council seat?

CATEGORY 31 INDIA'S FOREIGN POLICY & STRATEGIC AUTONOMY

- 151. Can India maintain genuine strategic autonomy in an increasingly bipolar world?
- 152. India-China border tensions — decoupling alongside strategic coexistence?
- 153. Russia-Ukraine war — reasons for the conflict and its layered impact on India
- 154. India-Pakistan relations — is any form of normalisation possible in the current climate?
- 155. Will the Russia-Ukraine conflict ultimately lead to a wider World War 3?

CATEGORY 32 MIDDLE EAST, ENERGY MARKETS & OIL SECURITY

- 156. How should India strategically hedge against oil price shocks from Middle East conflicts?
- 157. No one wins in a war — examining the global costs of modern armed conflict
- 158. OPEC+ production decisions — do they still meaningfully control global oil prices in 2026?
- 159. Trump-Kim diplomacy — can denuclearisation actually deliver lasting world peace?
- 160. Should India fast-track green hydrogen to structurally reduce its oil import dependency?

CATEGORY 33 PRIVATISATION, PUBLIC POLICY & GOVERNANCE

- 161. Is India a failing state — separating opinion from facts and data?
- 162. Should India accelerate privatisation of remaining public sector enterprises?
- 163. Viksit Bharat@2047 — timely national transformation programme or political messaging?
- 164. Government as regulator vs government as owner — where should India draw the line?
- 165. India to overtake the US as the world's second largest economy by 2075 — realistic or optimistic?

CATEGORY 34 ETHICS & CORPORATE GOVERNANCE

- 166. Ethics in — a passing fad or a permanent competitive necessity?
- 167. Should CEOs be personally and criminally liable for proven corporate fraud?
- 168. Is whistleblower protection in Indian companies adequate for real accountability?
- 169. Corporate social responsibility — genuine strategic commitment or compliance exercise?
- 170. Crises and emergencies — have they historically been the most powerful triggers for reform?

CATEGORY 35 HUMAN RESOURCES, TALENT & PERFORMANCE

- 171. AI in recruitment — reducing hiring bias or amplifying it at massive scale?
- 172. Should performance appraisals be abolished in knowledge-work organisations?
- 173. Narayana Murthy's 70-hour workweek call — inspiration, provocation, or exploitation?
- 174. HR analytics — does data improve talent decisions or fundamentally violate privacy?
- 175. Moonlighting in India — employee right, ethical violation, or HR management failure?

CATEGORY 36 DIVERSITY, EQUITY, INCLUSION & GENDER

- 176. Women Reservation Bill — landmark gender equity reform or long-overdue political gesture?
- 177. Is gender diversity in leadership a imperative or a moral obligation — or both?
- 178. Mandatory board quotas for women — effective structural policy or tokenism?
- 179. Caste-based reservation in private sector employment — the case for and against
- 180. LGBTQ+ inclusion in Indian workplaces — where does corporate responsibility end?

CATEGORY 37 MENTAL HEALTH, WELLBEING & WORK CULTURE

- 181. Should companies be legally liable for employee burnout and mental health deterioration?
- 182. Is hustle culture genuinely rewarded in Indian corporates, or just romantically glorified?
- 183. Night owls vs early birds — understanding productivity differences for smarter work design
- 184. Work from home — desirable employee benefit or productivity and culture liability?
- 185. Work-life balance vs career ambition — is the trade-off structurally unavoidable in India?

CATEGORY 38 INDIA'S DEMOGRAPHIC DIVIDEND & POPULATION

- 186. India overtakes China as world's most populous — is population a boon or a bane?
- 187. India's demographic dividend — opportunity being squandered or investment being made?
- 188. Youth unemployment in India — structural policy failure or cyclical correction?
- 189. Ageing India — are we adequately prepared for the 2040 demographic inversion?
- 190. Migration from rural to urban India — policy problem to be managed or inevitability?

CATEGORY 39 OPERATIONS, SUPPLY CHAIN & INDUSTRY 4.0

- 191. Did COVID-19 permanently break the Just-in-Time supply chain model?
- 192. Should Indian companies nearshore supply chains even at significantly higher cost?
- 193. Is Industry 4.0 accessible to Indian SMEs or only financially viable for large manufacturers?
- 194. Sustainability vs efficiency — can supply chains genuinely optimise for both simultaneously?
- 195. How should Indian logistics companies respond to the last-mile delivery revolution?

CATEGORY 40 INDIA'S GLOBAL SOFT POWER, SPORT & CULTURE

- 196. Is India's soft power — Yoga, Bollywood, diaspora — a genuine foreign policy asset?
- 197. Cricket vs other sports in India — is cricket crowding out all other athletic ambition?
- 198. Statue of Unity — symbol of national pride or wastage of scarce public money?
- 199. Can Indian cinema genuinely compete with Hollywood and Korean content globally?

200. Should India promote Hindi as the single national language of commerce and administration?

CATEGORY 41 PUBLIC SPENDING, NATIONAL PRIORITIES & HIGHER EDUCATION

- 201. IIM governance bill — is regulatory reform of premier institutes genuinely beneficial?
- 202. Should India invest more in vocational training over traditional academic degrees?
- 203. Statue of Unity vs social infrastructure — how should India decide public spending priorities?
- 204. India, world's 5th largest economy in 2022 and targeting 4th by 2027 — what does it mean for citizens?
- 205. Should India's premier institutions like IITs and IIMs remain purely public or go hybrid?

CATEGORY 42 LEADERSHIP, STRATEGY & MANAGEMENT THINKING

- 206. Are great leaders born or made — what does the evidence actually tell us?
- 207. Should CEOs have fixed term limits similar to elected political office?
- 208. Servant leadership vs transformational leadership — which model works in Indian organisations?
- 209. First mover vs fast follower — which competitive strategy wins in India's market context?
- 210. When should a company deliberately prioritise market share over near-term profitability?

CATEGORY 43 WOMEN IN LEADERSHIP & WORKPLACE GENDER EQUITY

- 211. The glass ceiling in Indian corporates — structural systemic barrier or individual mindset?
- 212. POSH Act implementation — meaningful culture change or compliance theatre?
- 213. Are women-led es more ethical — examining the available evidence objectively?
- 214. Maternity and paternity leave policy — what is fair, what is practical, and who pays?
- 215. Should boardroom gender representation targets be mandated beyond the current minimum?

CATEGORY 44 CASE STUDIES & STRATEGIC THINKING

- 216. Should a profitable company exit a market entirely on ethical grounds?
- 217. Blue ocean strategy — still relevant in hyper-competitive and commoditised markets?
- 218. Should Indian companies acquire distressed global brands to build international presence?
- 219. Peer pressure and family pressure in career decisions — can it make or break your future?
- 220. Is first impression the last impression — examining the psychology and the evidence?

CATEGORY 45 GEN Z IN THE WORKPLACE & SOCIETY

- 221. Is Gen Z fundamentally rewriting the employment contract — or merely renegotiating it?
- 222. Job-hopping among Gen Z — healthy career ambition or damaging lack of commitment?
- 223. Can traditional Indian organisations genuinely retain Gen Z talent through 2028?
- 224. Gen Z and mental health at work — corporate responsibility or personal management?
- 225. Should companies design structurally different career tracks specifically for Gen Z employees?

CATEGORY 46 GLOBALISATION, TRADE PHILOSOPHY & THOUGHT

- 226. Think global, act local — is this still the winning strategy in a fragmented world?
- 227. Is globalisation genuinely reversing or simply restructuring into a new multipolar architecture?
- 228. Should India prioritise bilateral trade agreements over multilateral WTO-led frameworks?
- 229. Knowledge economy vs manufacturing economy — which growth model serves India better by 2035?
- 230. Crises as catalysts — have the world's biggest reforms always emerged from its deepest crises?

CATEGORY 47 INDIA'S DEMOCRATIC INSTITUTIONS & SOCIAL ISSUES

- 231. Is India's democracy stronger or weaker than it was a decade ago — examining the evidence?

- 232. Fake news and mobocracy — are they together dismantling India's institutional social fabric?
- 233. Electoral reforms in India — beyond electoral bonds, what systemic changes are needed?
- 234. Is India's judicial system fast enough to deliver justice in a growing \$5 trillion economy?
- 235. Should India introduce a Right to Information 2.0 for the digital age?

CATEGORY 48 VALUES, PHILOSOPHY & PURPOSE IN

- 236. Is ambition a virtue or a vice in the contemporary knowledge-economy workplace?
- 237. Failure is the best teacher — agree or disagree, and what is the evidence?
- 238. In the age of AI, is creativity the last true and irreplaceable human advantage?
- 239. Ethics in — a passing fad or a permanent competitive necessity?
- 240. Speed vs depth — which discipline matters more in the knowledge economy of 2026?

CATEGORY 49 ABSTRACT & METAPHORICAL THINKING

- 241. The Pink Elephant in the Room — why organisations acknowledge problems but refuse to act on them
- 242. The Boiling Frog Syndrome — why gradual decline is more dangerous than sudden crisis for es
- 243. The Black Swan — can organisations truly build resilience against events they cannot predict?
- 244. The Burning Platform — is manufactured urgency the only thing that forces real organisational change?
- 245. The Iceberg Illusion — visible success is 10%, unseen effort is 90%: what this means for MBA careers

CATEGORY 50 PERSONAL INTERVIEW — SELF, MBA & CAREER TOPICS

- 246. MBA — genuine return on investment, career insurance, or both?
- 247. Is an MBA necessary to be successful in — and what does success mean?
- 248. What makes an MBA graduate genuinely placement-ready in the 2026 market?

249. Specialisation vs generalist profile — which MBA archetype does industry prefer?
250. Five years after MBA — what does success look like and how will you measure it?
